

The Office

The Ottoni Advocacia Empresarial was formed by the merging of experient professionals and is present in a wide variety of legal practices.

Our seasoned attorneys bring to the table, depth in expertise acquired from years of practice and experience servicing the Brazilian legal system, as well as a personable handling of each case.

Our offices represent all areas of the law, with highlighted expertise in Tax Law, Corporative, Civil Law, Tax Criminal Law, Labor Law, Employment Law and Administrative Law.

We maintain a network of cooperative law firms we work with and Our mission is continued excellence and to provide our clients and partners the highest quality legal support.

Tax Litigations

Compensation through a judicial order of tributes paid unduly as well as the cessation of tax collecting installments, if tax demands prove to be a discrepancy of the Federal Constitution and legislation.

Fiscal Defense

We review the infraction and prepare a defense based on the Federal Constitution and the law, seeking a possible annulment or reduction, as well as the possibility of exclusion or decrease of fines and interests.

Writ Of Prevention

Judicial procedure which obtains the Negative certificate of Tax debits, suspension of tax payments which are not in sync with the law and value deposit of tributes.

Tax Law

Tax Consulting

Fiscal Review

We review all tax tributes with the intention to identify all discrepancies within the tax legislation and we assist our client as to the preventative measures to minimize over collection and over payment of future taxes. We also work so that overpayments or improperly paid taxes can be recovered. Along these lines, we provide an analysis and work with the proper Tax authorities to ensure that tax overpayments are promptly recovered.

Tax Consultation Analysis

An analysis of the case and status of and how the situation applies to the legislation is provided in writing.

Partnership Support

Review and preparation of the partnership whether it is limited or public, we also provide support as to the partnership guidelines in reference of the life of the partnership, such as shareholders general assemblies and meetings, partnership deliberations, agreements of partners, joint-ventures, splits and take-overs.

Partnerships
